

# Rust - Enums and Traits

Mario Occhinegro

## Enums in Java

```
enum Animal{  
    Dog,  
    Cat,  
    Bird  
}
```

```
enum AnimalWithValues{  
    Dog(" Dog", 20),  
    Cat(" Dog", 10),  
    Bird(" Bird", 1);  
  
    public final String  
    public final int we  
  
    //constructor  
    private AnimalWithV  
        this.label=  
        this.weight=
```
